Subject: Request for Completed Reclamation Contract, Robert or Iris Harris,
S/025/006, Kane County, Utah

Dear Mr. Harris:

The Division has not received the completed signed and notarized small mine reclamation contract that was mailed to you in December 2006. Please find it enclosed to prompt your response and its return. Currently, the permit is not in compliance with state regulatory requirements.

Failure to furnish and maintain reclamation surety may result in permit withdrawal after notice and opportunity for board hearing, cessation of mining operations, and/or requirement to reclaim all lands affected.

Please direct inquiry and correspondence to Minerals Surety Coordinator, Ms. Beth Ericksen, (801) 538-5318 or bethericksen@utah.gov.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
